persons entrusted with financial  
management in that government; and

### **New Public Management Model**

The term new public management  
was coined by scholars from UK and  
Australia (Hood 1991 and Hood and  
Jackson 1991), who were working in  
the in the areas of public  
administration. Now, the origin of  
this new term was to propose a new  
point of view towards the  
organizational design in the public

sector, however after a decade, the meaning of this term in discussions and debates became many.
