The 100 Best Economics Books of

All Time - Listmuse.com

The list is for those with a serious interest in economics, but not

necessarily for economics
professionals; it contains some books
on the principles of economics, but is

light on theory, focussing on more readable texts. The list has a strong focus on international economics and

the financial crash of 2008.

A lost century in economics: Three

theories of banking and ...

1/7/2016 · 1. Introduction. The failure by leading economists to

incorporate banking in their economic theories has been identified as a significant and costly

weakness (Werner, Richard A., 1997,
Werner, Richard A., 2005, Kohn,
Donald, 2009).Likewise, it has been

pointed out that the macro-economic feedback of banking activity had been neglected in finance research

(Werner, 2012).
