More Guns, Less

Crime - Wikipedia

More Guns, Less Crime is a book by John Lott that says violent crime rates go down when states pass "shall issue" concealed carry laws.

He presents the results of his statistical analysis of crime data for every county in the United States during 29 years from 1977 to 2005. Each edition of the book was refereed

by the University of
Chicago Press.

there are Editions or
Revisions of a book

Use the year of the latest edition of a book, this is generally stated on the back of the title page. After the author, state the year in the in-text citation. Include the

number of the edition in your full reference, after the title. Do not include this if it is the 1st edition.
