News - Wikipedia

News is information about current events. This may be provided through many different media: word of mouth, printing, postal systems, broadcasting, electronic communication, or through the testimony of observers and witnesses to events. News is sometimes called "hard news" to differentiate it from soft media. Common topics for news reports include war, government, politics, education, health ...

APA 7th Edition - University of North Alabama

APA for Student Papers. Rules for student papers are slightly different than a professional paper. This PowerPoint will focus on formatting student papers, including title page, headings, documentation, in-text citations, and other various guidelines.
