American Family News

22/10/2021 · Culture Survey finds college degree separates skeptics from their Creator. New polling data on the religious faith of Americans confirms the more education a person has, the less likely they are to strongly believe in a Creator, which probably comes as no surprise to generations who sat under college professors who hated Christianity and told them so everyday.

until a night or a day before they are due. This might be very stressing due to inadequate time to do a thorough research to come up with a quality paper. Achiever Papers is here to save you from all this stress.

Contradictions of Capital and Care - New Left Review

The 'crisis of care' is currently a major topic of public debate. Often linked to ideas of 'time poverty', 'family-work balance', and 'social depletion', it refers to the pressures from several directions that are currently squeezing a key set of social capacities: those available for birthing and raising children, caring for friends and family members, maintaining ...
