2. Equally wishing to be happy and free: Every living being has the same two basic wishes – the wish to be happy and the wish to be free from suffering.No one has a monopoly on these wishes. Like the snowflake example given here, we have far more in common than not.. Although we all equally deserve to be happy and free, unfortunately our common enemy, the delusions, causes this to happen ...

### **The Longer Telegram: Toward a new American China strategy ...**

The foremost goal of US strategy should be to cause China's ruling elites to conclude that it is in China's best interests to continue operating within the US-led liberal international order rather than building a rival order, and that it is in the Chinese Communist Party's best interests to not attempt to expand China's borders or export its political model beyond China's shores.
